## RITOLA DEFEATS BIG RIVAL IN TITLE RUN

Romps Away From Opponents in 'Met' Senior Chase and Makes Record.

## PRIM FINISHES SECOND

New York A. C. Harriers Take Team Prize With Score of 45 Points.

William Ritola, sturdy young Finnish-American A. C. distance runner, was crowned metropolitan A. A. U. senior cross-country champion yesterday. In the annual titular chase over the new course at Van Cortlandt Park, Ritola, who holds the metropolitan title championship, led a field of forty-four runners in race which ended with a new record for the level course recently selected in preference to the hilly and wooded trail of previous years.

Ritola won in the fast time of 31 minutes 45 seconds, an effort which eclipsed the best previous time for the course. Ilmar Prim, a fellow Finn, held the old record, made a week ago, in the time of 32 minutes 30 seconds. Prim's time last week was 32 minutes 25 seconds.

Prim followed his clubmate over the line, beaten by a margin of about 50 yards. Ritola had crossed the finish line with the title in his possession before Prim cleared the last hurdle at the head of the closing straightaway.

Frank Brennan, New York A. C. standard bearer, was third, about forty yards back. Sid Leslie and George Cornetta, two other wearers of the Mercedes foot, finished fourth and fifth respectively. Frank Titterton, unattached runner of the Bronx, winner of the title last year, was sixth, hopelessly beaten off.

The struggle for the team title ended in a victory for the New York A. C. Five of its runners finished among the first nineteen for a total of 45 points. The victory marked the first team success of the New York A. C. in a cross-country run since the club resumed its activity in this field. The organization dropped championship cross-country running when America ended the war. Not until last Saturday, on the occasion of the local junior title chase, did the club reenter this field of sport.

Brennan, Leslie, Titterton, Turner and Jack Sellers were the leaders who captured the title for the Mercury Foot Club. Turner raced home in sixteenth position and was beaten by a margin of eight yards. Leslie, runner of the Bronx, finished in nineteenth place.

The Milrose A. A. winners of the title last year, finished second in the chase. The team score was 45 points, three lower than which finished third with 52 points. The Finnish-American A. C. was fourth and the Morningside A. C. fifth.

Ritola's victory was a hollow one. The sturdy Finn proved himself head and shoulders over the remainder of the field which started. Thirty-four runners broke with the pace, and Ritola, who was running in the jam for a forward position.

The pace, set practically all the way by Ritola, proved too great a strain on nine of the original field and as a consequence only forty-five harriers were checked up at the finish line as having completed the race. Ritola's margin was three miles, complaining of an injury to one of his legs.

Ritola assumed the lead in the first half-mile and never relinquished his position. Adolph Pohring of the Morningside A. C. broke in front, but he remained as pace-maker only during the time it took Ritola to swing clear of the jamming pack at the start.

Ritola went over the line in front of all the runners, who were clustered in a bunch on the course slightly in front of Sid Leslie, a champion of nine years ago. Ritola's time was 31 minutes 45 seconds, and Brennan, in third position, was caught in 32:40. Leslie was fourth, followed by Cornetta, Titterton, Jack Phillips, O'Connor and Frank Tuna, in that order.

On the second lap Ritola increased his lead and advanced to the front of the pack before entering the closing mile. It was announced that the first ten runners, or those who finished inside the time limit, would receive the standard time prizes. President Frederick W. Ruben, of the local A. A. U., announced that the association will shoulder some of the expenses of sending the individual and team winners to the national title chase in Pittsburgh next Saturday.

## Get Your 1922 Plates At Closed Car Show

NEW YORK automobile owners will be able to obtain their motor car licenses for 1922 by calling at the booths of the State License Bureau in the balcony of the Twelfth Regiment Armory during the coming week. The Closed Show is being held by the Automobile Dealers Association. Through the cooperation of Walter W. Law, Tax Commissioner at Albany, and Bert Law, Deputy Tax Commissioner in New York City, the show committee has succeeded in getting an exhibit by the State of New York which will provide more than passing interest to local motorists. At the New York State booth there will also be three other features; the new method of distributing plates will be explained, license plates of other States and countries will be exhibited, and it is further planned to show the suggested method of marking new cars with consideration by the State of New York whereby a car is given an official number which it will retain during its life.

## CORNELL HARRIERS MAKE CLEAN SWEEP

Take First Five Places, Defeating Penn, Dartmouth and Columbia.

The cross-country team of Cornell University romped away from Dartmouth, Pennsylvania and Columbia in a quadrangular encounter at Van Cortlandt Park yesterday. The big Red Harriers monopolized the first five positions for a score of 15 points.

Dartmouth was the best of the others, trailing Cornell with 61 points. The Quakers managed to nose out Columbia for third place by two points, the score being 81 and 83 respectively.

The easy triumphs of Jack Moakley's athletes in the Syracuse invitation run and the dual meet with Harvard made them pronounced favorites, but they were met with strong opposition from the New Hampshire representatives and the Penn team. The result shows that the present intercollegiate champions are in a class by themselves.

This was the first of New York's big meets, and will be followed a week from Monday by the intercollegiate championship running when Cornell, Dartmouth and Harvard will meet. The individual winner was R. E. Brown of Cornell, followed by his teammates N. P. Brown, Capt. C. C. Carter, George Miska and John Irish. The first four runners of the Cornell team were in the first five places, while the last four runners of the Cornell team were in the last five places.

The order of finish of the first half of the race R. E. Brown led by ten yards, followed by N. P. Brown, Miska, Irish and Haskell. Carter was eighth and Moakley twelfth. The same even race, R. E. Brown led by ten yards, followed by N. P. Brown, Miska, Irish and Haskell. Carter was eighth and Moakley twelfth.

## Maine Beats 12 Colleges for Cross Country Title

Boston, Nov. 12.—The University of Maine won the New England intercollegiate cross-country championship today from a field of twelve colleges. Massachusetts Institute of Technology was second and Bates College third.

W. S. Hart of Bowdoin was the individual winner, covering the five and one-half mile course in 28 minutes 15 seconds. Ray Barker, captain of the Bates team, finished second with 31:40. John Doherty of Tufts, third, W. K. Berry of the first Maine man to finish, was sixth.

The team scores follow: Maine, 65; Massachusetts Institute of Technology, 111; Tufts, 123; Bowdoin, 144; Williams, 167; Colby, 204; Brown, 205; Boston College, 241; Holy Cross, 254. Rhode Island State runners did not start.

## City College Harriers Lead N. Y. U. in Dual Meet

The City of New York cross-country team defeated Tufts University yesterday in a contest that marked the resumption of relations in the sport between the two local institutions after a lapse of many years. The score was 27 to 28.

## SCHENECTADY BOYS ROAD RUN VICTORS

Up-State Harriers Become Permanent Possessors of the Kirby Cup.

After trailing the field until 500 yards from the finish, Frank Healy, a stout hearted harrier from the Mount Vernon High School, showed a burst of speed that carried him across the line the winner of the ninth annual interscholastic cross-country run for the Gustavus T. Kirby trophy, held yesterday morning under the auspices of Columbia University.

Fifteen yards in his wake came Sigmond Greenberg of Flushing High School, one of the best harriers in local school ranks and holder of the school record over Van Cortlandt Park. Thomas Dennis of Cortlandt Park, twenty-five yards behind Greenberg.

In achieving his victory Healy defeated a field of 80 runners, the pick of the Eastern high schools. Before leaving South Field the runners circled the track twice and then went out on 118th street to Riverside Drive and turned south to Ninety-sixth street and returned to South Field, where they completed a half circle of the track.

After the first 500 yards of the race had been completed Foley of Schenectady and Boyle of Manual Training went into the lead and held it up to the last mile. Foley, who is said to be in twentieth position, right at the shoulder of L. Smith, his team mate. The summary:
